ABOUT THE EVENT

Event Date: November 14, 2026

Where Community Comes Together

The Hearts & Heroes Gala is the Dunnville Hospital & Healthcare Foundation's premier fundraising event, bringing together community leaders, local businesses, healthcare champions, and generous supporters for an unforgettable evening dedicated to strengthening healthcare right here at home.

Last year's gala raised over \$65,000 in support of local healthcare, demonstrating what is possible when a community rallies behind a cause it truly believes in. Every dollar raised stays local, helping fund priority medical equipment and facility enhancements that directly benefit patients at Haldimand War Memorial Hospital and Edgewater Gardens Long-Term Care Centre.

This isn't simply another gala.

It's a celebration of community, generosity, and the belief that exceptional healthcare should always be available close to home.
